

UHT Technician

- Full time permanent opportunity
- Leading Australian FMCG Company
- Shepparton (Victoria) and Ingleburn (New South Wales) locations

Freedom Foods Group Limited is a leader in the Health and Wellbeing food and beverage market and we are recruiting for an experienced UHT Technician to join our team.

Freedom Foods Group Limited is a listed innovative FMCG company that has a mission to create quality, on-trend, great-tasting, responsibly Australian produced food and beverages. Food and beverages that people enjoy and feel good about. We aim to continually innovate and reimagine what is possible, to change the way the world eats for the better.

About the role

As an experienced UHT Technician, you will be required to set up, monitor, adjust, operate and troubleshoot the UHT Processing Equipment and Mix Plants to achieve planned volumes while maintaining a high level of our safety and quality standards.

You will also be required to:

- Monitor and report on key performance indicators throughout the shift;
- Perform routine in-process checks during production;
- Ensure that all products produced meets required specifications;
- Champion agreed process improvement initiatives.

What we are looking for

- 2 – 3 years' experience working within a similar position within the Food/Beverage manufacturing industry;
- Demonstrated understanding of heat treatment processes;
- Relevant technical, dairy or science tertiary qualification is desirable but not essential;
- Demonstrated experience working with Lean/Six Sigma continuous improvement principles.

Application

If this role interests you, we would love to hear from you! Please submit your latest resume and include which site you are applying for.
