

## **General Manager Operational Assets and Reliability**

Full time opportunity

Freedom Foods Group (FNP) is a listed innovative FMCG company that has a mission to create quality, on-trend, great-tasting, responsibly Australian produced food and beverages. Food and beverages that people enjoy and feel good about. We aim to continually innovate and reimagine what is possible, to change the way the world eats for the better.

Freedom Foods Group Limited is a leader in the Health and Wellbeing food and beverage market.

### **About the role**

Reporting to the Chief Operations Officer, your role will be responsible for managing the operational effectiveness and reliability of services within each site. The core responsibility of your position is to ensure all assets are maintained in order to reduce production losses and increase effectiveness of our equipment, utilities and processes. Key responsibilities of the role are:

- Developing and implementing the strategy and plan for maintenance in each site;
- Developing and executing engineering maintenance plans;
- Adherence to maintenance best practices, including process improvement;
- Actively participate and collaborate with all functional areas to maintain and improve assets to ensure key deliverables are met;
- Managing asset lifecycle;
- Overseeing and owning asset earnings;
- Ensuring maintenance staff are adequately trained to operate each piece of machinery;
- The deployment and capitalisation of assets; and
- Owning and running machinery at each site.

To be successful in this role you will have completed at minimum a Bachelor's Degree in Engineering with at least 5 years' experience in Site Operations Management. You will have excellent planning and time management skills combined with the ability to adapt in changing circumstances.

Salary package will be discussed with the successful candidate. As a guide, the package is from \$200,000.

### **Application**

This is an excellent opportunity to join a growing, innovative and leading Health & Wellbeing food and beverage company.
