

Production Technician

Full-time opportunity

Freedom Foods Group Limited is an ASX listed innovative FMCG company that has a mission to create quality, on-trend, great-tasting, responsibly Australian produced food and beverages. Food and beverages that people enjoy and feel good about.

We aim to continually innovate and re-imagine what is possible, to change the way the world eats for the better.

About the role

As an experienced Production Technician, you will need to be able to assist and or set up, monitor, adjust, operate and troubleshoot extrusion and packing equipment to the level of your skill and competency to achieve planned volumes within a team environment. You will also be required to:

- Ensure products and batch changes are correctly managed and authorised;
- Perform routine in-process checks during production;
- Ensure that production is undertaken following all quality guidelines and regulations; and
- Manage product sampling requirements.

What we are looking for

- Minimum of 3 - 4 years' experience working within a similar position within the Food/Beverage manufacturing industry;
- Previous experience in operating filling and packaging equipment;
- Relevant technical or science tertiary qualifications is desirable but not essential;
- Previous experience in operating equipment; and
- Demonstrated experience working with Lean/Six Sigma continuous improvement principles.

Salary package will be discussed with the successful candidate. As a guide, the package is between \$65,000 - \$85,000.

Application

This is an excellent opportunity to join a growing, innovative and leading Health & Wellbeing food and beverage company.
